Deck the halls with boughs of...savings? Ok, hear me out—Wayfair’s Big Holiday Sale is here. Sure, it feels like we *just* entered Pumpkin Spice season, but it’ll be time to break out the Christmas tree before you know it. (I’m looking at you, people who blast carols as soon as the clock strikes midnight on October 31st.)

While I may judge you for breaking out holiday decor too early, I’ll judge you *less* if you at least get a good deal on it. Whether you’re looking to upgrade your furniture, touch up your home with holiday decor or find a stellar gift for someone on your list, Wayfair has up to 60% off all week long on bedding, rugs, appliances and more.

If I *did* look at the holiday decor on sale, which I wouldn’t do, obviously, because it’s way too early, I’d say this [nutcracker statue](#) is pretty darn cool. And [this garland](#) is incredibly whimsical. And that’s all I will be saying on that matter. Merry—er, I mean—happy shopping!
