Halloween is right around the corner—are you ready for it? If the answer is a big fat no, don't worry—some of the best costumes come from last-minute creativity. You probably have clothing and accessories in your closet already that you can use to assemble a DIY costume. You just need to get your creative juices flowing, add some [festive makeup](#) and a little bit of Hocus Pocus.

If you don't have the time, patience or creativity to make your own costume (like yours truly), [Spirit Halloween](#) is going to be your best friend. Whether you're still having a Barbie moment or you want to transform into your favorite Beetlejuice character, Spirit Halloween has a wide variety of costumes for adults, kids and, yes, even pets. Plus, you can snag some pretty spooky decor for your home, too. Right now, you can get 20% off any item with the code **TWENTY** or you can opt in for free shipping with the code **TREAT24**.
