**Rachel Moskowitz** | Head of Audience

When you think of tech deals, you probably associate them with certain times of year like Black Friday or the stretch of time leading up to the Super Bowl. But I'm here to bring good news—there are deep discounts on top tech products *right now*.

Think about it: it's graduation season, [Memorial Day](#) is this weekend, we're inching up on [Father's Day](#) and back-to-school season will be here in the blink of an eye. It's a perfect recipe for retailers to slash prices on [laptops](#), [TVs](#) and more.

We've rounded up the best tech deals so that you don't have to. Save big at [Best Buy](#), [Samsung](#) and even [Walmart](#).

Happy shopping,

— Rachel Levin, Head of Audience & Marketing
