Today marks a magical day in history, the 20th anniversary of the very first Harry Potter film which was released on November 16, 2001. Some know it as “Harry Potter and the Sorcerer’s Stone”, while others have come to know it as “Harry Potter and the Philosopher’s Stone” depending on the viewing country. But no matter what title you regard it as, it’s a film that marked the beginning of an 8-film franchise, launching the careers of three young actors and bringing a beloved book to life.

Since that day 20 years ago, Harry Potter merchandise stores have opened up around the world, Universal Studios opened its doors to The Wizarding World of Harry Potter, and a spinoff of the series “The Cursed Child” even landed on Broadway. Though the books and films may have ended, Hogwarts has stood the test of time and proved that it will always be there to welcome you home. And that with the power of friendship, love, and courage, you can do just about anything.

If you’re a Potterhead celebrating this extraordinary occasion, here are 20 products that will turn any muggle day into a magical one.

1. Delicate jewelry to express your love for the Wizarding World

Delicate jewelry to express your love for the Wizarding World

Pandora and Alex & Ani both have beautiful lines of Harry Potter-themed jewelry to spice up any outfit with subtle bling. If you're looking to fill up a uniquely yours Pandora charm bracelet with the Hogwarts Express or a House Crest, look no further. If that's not your thing, they also have necklace pendants and earrings. Alex & Ani's Harry Potter collection is filled with charm bangles and charm necklaces alike. You'll find them decorated with quotes like the iconic "Turn to page 394" (you just read it in Snape's voice, didn't you?), Quidditch symbols and more.

2. A bag that combines Harry Potter and fashion

A bag that combines Harry Potter and fashion

Vera Bradley recently launched a limited-edition collection of Forbidden Forest-themed bags and accessories decorated with the Whomping Willow and fan-favorite creatures like Buckbeak and Hedwig. From a large duffel bag perfect for travel to a conveniently compact crossbody bag, this collection can upgrade your daily routine and put a smile on your face while doing it. There's even a [PopSocket](#) pop grip for your phone. Reviewers love the deep colors of this collection and the fact that all of the bags are made from recycled cotton. Not to mention they make the perfect gift for any Potterhead.

Lego sets to play out magical adventures

I'm just going to say it—you're never too old for Harry Potter or Legos. Lego has Harry Potter sets ranging from a simple 4 Privet Drive to a complex Hogwarts Castle, and every character and creature in between. Reviewers love that these sets are not only a fun activity and a great way to pass time, but they look good enough to put on display in your home when you're finished.

- [Get the 4 Privet Drive building set from Lego for \\$69.99](#)
- [Get the Hogwarts Castle building set from Lego for \\$399.99](#)

4. An Advent calendar to add a touch of magic to the holidays

An Advent calendar to add a touch of magic to the holidays

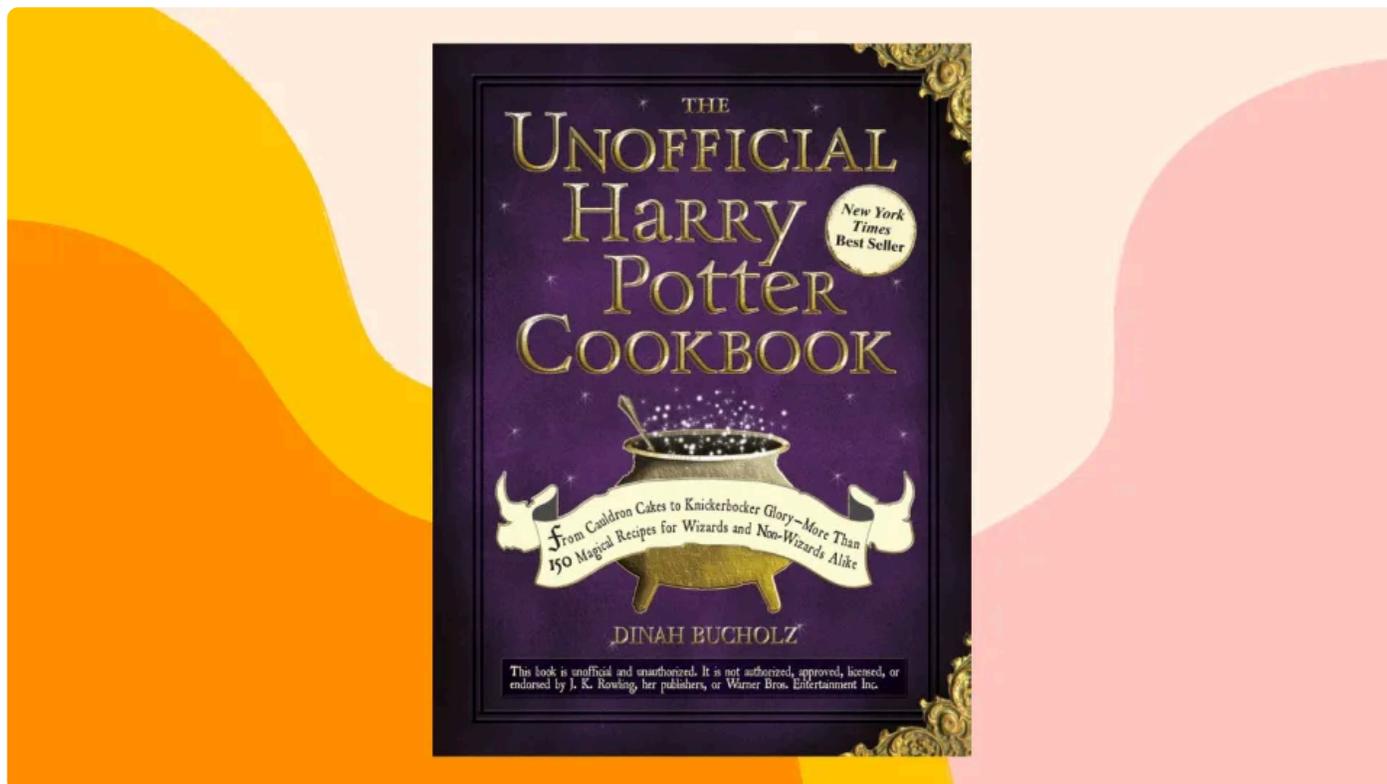

The Harry Potter films (and books, ahem) took the holidays to a whole new level. From the Great Hall that had magically replenishing platters of food and snowflakes falling from the ceiling to opening presents around the fire in the cozy

letters and Platform 9¾ that combine easily with any Lego set. If you're looking for something a little more sophisticated, the luxe Advent calendar from Williams Sonoma is just the ticket. It's filled with individually wrapped candies in a variety of flavors but, being crafted of wood, it can be filled and refilled with Bertie Botts Every Flavored Beans, chocolate frogs and more for years to come.

- [Get the Harry Potter Holiday Magic Advent Calendar from Walmart for \\$18.77](#)
- [Get the Lego Harry Potter Advent Calendar 76390 Building Kit from Target for \\$31.99](#)

5. A cookbook to whip up iconic dishes for witches and wizards alike

A cookbook to whip up iconic dishes for witches and wizards alike

The Harry Potter films had a way of making viewers hungry. Young witches and wizards would dine with one another in the Great Hall for elaborate holiday and celebratory feasts throughout the series. What was on the menu? A never-ending supply of meats, potatoes, pies, cakes and everything in between. This cookbook not only gives fans the opportunity to try their hand at making the magical treats featured in the books and movies, it also contains classic British recipes that any muggle would love.

6. A set of Harry Potter books to immerse yourself in every detail of the Wizarding World

A set of Harry Potter books to immerse yourself in every detail of the Wizarding World

First published in 1997, the Harry Potter series went on to sell over 500 million copies and was translated into over 80 languages. Though the films and the featured superstars do an excellent job portraying the exciting events in the life of Harry Potter, the books immerse readers in every single detail of the Wizarding World and allow one to connect to characters on a deeper level. Not to mention, they are a great alternative to screentime. If you're more of an audiobook person, listen to the series narrated by Jim Dale on Audible. As a listener myself, I can confidently say his voice is tranquilizing and his impressions make the characters jump right off of the page.

7. Apparel to show your house pride

Apparel to show your house pride

It was 20 years ago that we were able to watch the magical Sorting Hat get placed upon the head of young Harry Potter, or Daniel Radcliffe, and sort him into the courageous Gryffindor house. Nowadays, you can see for yourself which Hogwarts house you belong in through [Wizarding World](#). And once you do, you'll want to show off your house pride immediately. Whether you're a Gryffindor, Ravenclaw, Slytherin or Hufflepuff, you can find your colors and house crest

8. Games to experience the fun with others

Games to experience the fun with others

Part of the fun of Harry Potter is nerding out about your deep knowledge of all things Hogwarts, Harry Potter and more. Show it off with a game of Trivial Pursuit or Codenames. Reviewers love to stump the whole family. If you're more of a casual browser of the Harry Potter films, you don't need to know the movies too well to play Harry Potter-themed UNO or Clue. They're just like regular UNO or Clue, but with magic (a.k.a. featuring Hogwarts colors and images of the movie characters). And if you haven't had enough of puzzles over the past year and a half, well, there's plenty of that, too.

Gadgets to brew up some magic in the kitchen

You don't need Professor Snape's classroom in the dungeon to concoct some delicious treats or potions. All you need is Harry Potter-themed cooking tools from Williams Sonoma. Reviewers love the spatula in particular because it lasts for years so long as you don't put it through the dishwasher frequently. The pancake molds are a hit because they're easy to use, easy to store and make the cutest and most magical pancakes around. But don't forget your apron. It makes a great gift with its high quality and bright colors.

16. High-quality cookware inspired by Harry Potter

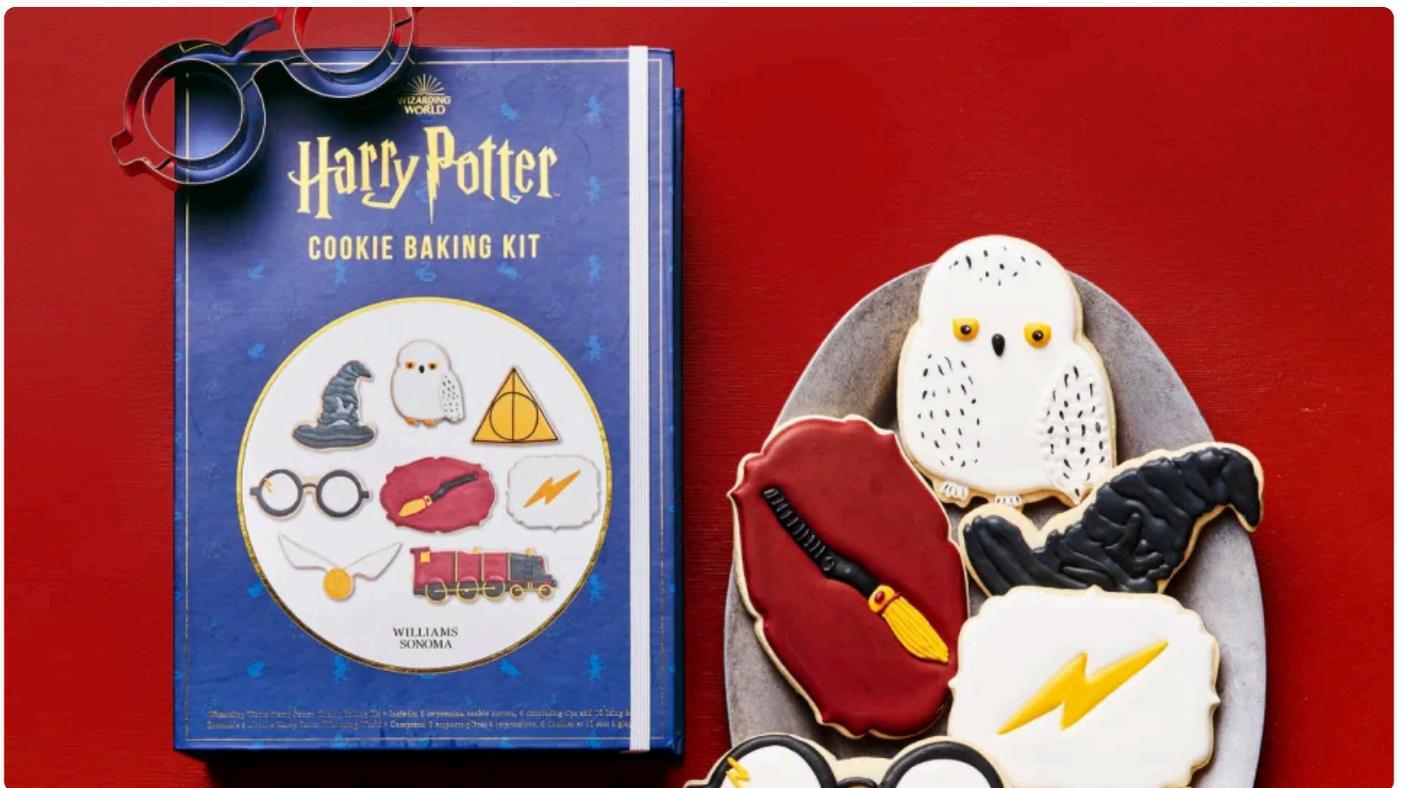

High-quality cookware inspired by Harry Potter

Your eyes don't deceive you—Le Creuset launched a Harry Potter-inspired cookware collection. We tested the Dutch oven by Le Creuset and we can see why it is a beloved tool used by chefs. It made perfect meals in all of our tests. The only reason it wasn't our number one choice? It was a little big to store in a tight kitchen. But honestly, who can argue with having more room for food? This collection comes with Dutch ovens, a tea kettle, plates... and they're all decked out with golden snitches, The Deathly Hallow symbol, house colors and more.

A planner to make 2022 so efficient, you'll feel like you're using a Time Turner

Life can get crazy, a fact Hermione Granger is very familiar with. While she has a magical time-turner necklace to go back in time and work out the kinks in her schedule, we have to be a little more forward-thinking. This 2022 planner is just the ticket. Hedwig is front and center on the relaxing blue cover and the inside is filled with calendars, to-do lists and pages for bullet journaling. Suffice to say, Hermione Granger would approve.
