It may seem like the holidays are a ways away, but Black Friday is creeping up *next month*, dear reader. If you're looking to get ahead on your holiday shopping before the big rush, now's the time to do it. Not only will you be able to cross items off your gift list, but you can also snag some serious discounts on holiday gifts and products for hosting guests. Not to mention, you can grab them before they're sold out, which is apt to happen this time of year.

Between [Amazon Prime Big Deal Days](#), [Walmart's Holiday Deals sale](#), [Target Circle Week](#), and all of the [other major sales happening](#) right now, it's unlikely that you won't be able to find discounts on the things you need. Check out some of the top products on sale below, but get them while they're hot—many of the sales end tonight. And reader, if you want to listen to holiday music while you shop, I won't judge.

- The [9th generation Apple iPad](#) is a whopping 40% off right now at Amazon and makes a great gift. Grab it before it's gone.
- Walmart has lots of [holiday pajamas](#) and [Advent calendars](#) on sale for the whole family that you won't want to miss out on.
- Hosting the holidays this year? You're going to want to check out the [deep discounts on cookware](#) over at Target.
- [Wayfair's Way Day sale](#) has been extended—if you've been looking to upgrade mattresses, rugs, or other home items, shop deals through tonight.
