If you've been waiting for a sign to upgrade your wardrobe this season, this is it, reader. I have a treat for you in the form of a can't-miss sale happening over at Free People. Right now, Free People is knocking an extra 25% off already-discounted items in the sale section. It's like a sale turducken.

We're talking discounts on [chunky knit sweaters](#), [bohemian-chic denim](#) and [edgy party dresses](#) just in time for the holiday season. If you're in the market for basics like [leggings](#) or [cozy socks](#), don't worry—those are on sale, too.

It's worth noting that while you're on the site, Free People has a whimsical and varied [gift shop](#). While the gift shop doesn't *technically* include sale items, it's still worth popping into. You just might find yourself crossing someone off your gift list sooner than later.
